

Shropshire Family History Society

Shropshire 1851

Census Index

Many years of the society's work in Indexing the 1851 Census for Shropshire has been brought together for this CD-ROM. It is searchable on surname, forename, parish, piece number and folio. Over 50% of the records include age and page number.

The software, which aims to make searching as simple as possible, also contains an advanced search facility. Printing and copying options are available and 'Help' has detailed descriptions on how to use the software as well as some background to the project.

Almost 240,000 entries are included, covering Shropshire and some adjacent parishes.

Suitable for IBM compatibles Windows 95 (version 4 and later), 98, NT, 2000 and XP. Uses specially written software.
