

The Parishes and Townships of Shropshire

Gazetteer and Maps

The gazetteer (A4, 40pp) lists all the ancient and modern ecclesiastical parishes in the county with the names of the townships and hamlets within them. The dates of foundation of modern parishes are included and the townships are cross-referenced.

The two A3 maps are folded in the back of the gazetteer. One shows the ancient parishes, including those with surviving registers before 1837, the other the modern additions.
