Shropshire Burials Index

Edition 4

The Shropshire Family History Society's Burials Index, now in its fourth edition, has grown to over 400,000 records and, as well as an almost 100% coverage of the 1813 – 1837 period, includes details from original registers for some 99 parishes dating back, in some cases, to the 16th century.

The software, which aims to make searching as simple as possible, also contains an 'Advanced Search' facility. 'Help' has detailed descriptions on the use of the software as well as information about the data contributing to this edition and how it is being collected.

Suitable for IBM compatibles Windows 98(SE), NT, 2000, XP and Vista. Uses specially written software.
