## THE PARISHES AND TOWNSHIPS OF SHROPSHIRE A Gazetteer with Maps (Second Edition 2013)

This joint publication with Shropshire Archives (A4, 40pp) continues to be a popular aid to family historians whose ancestral roots are based within the county of Shropshire. This second edition has been both revised and improved. The gazetteer section lists all the Shropshire parishes and chapelries and as many townships and hamlets as can be satisfactorily identified within these from the sources used.

The guide also includes **two loose A3 maps**, which are folded and enclosed within the back cover:

**'Ancient Parishes'**, which includes all the ancient parishes and those ecclesiastical parishes, townships or chapelries with surviving registers before 1837.

**'Modern Parishes'**, which adds those parishes created or reorganised after 1837.
